A benefit for the Eureka Schools Foundation

2006 Eureka Schools Foundation Cup

The Eureka Schools Foundation invites you to participate in the 12th annual ESF Golf Tournament to be held Wednesday May 24th at the Granite Bay Golf Club. It is our goal to maintain this tournament as one of the premier golf events in the Sacramento area. Past participants have had a great time and a unique ability to network while supporting this charity event that benefits the schools in the Eureka School District.

One of the highlights of this years Tournament will be the participation of Nike Golf. Participants will be able to select the Tee Prize of their choice from an on-site, virtual Nike Golf store, which will include the new Driver currently being played by Tiger Woods and others on the PGA Tour, as well as the "Top of the Line" Nike Golf Shoes. In addition, participants will be able to demo the latest Nike Golf Clubs at the practice facility prior to play.

As always it is our children who are the real winners in the Foundation Cup Tournament. The Eureka School Foundation (ESF) is a non profit organization committed to ensuring that a well-rounded, high quality education program is available to every child in the Eureka School District. All proceeds from this event will be used to further our goal and will be distributed as directed by the ESF board. Our first eleven tournaments have raised approximately \$385,000 for the Eureka School District.

Please contact either one of us to sign up for sponsorship or to answer any questions about the tournament. We look forward to seeing you on May 24!

About Granite Bay Golf Club...

If you haven't played Granite Bay yet, you are in for a treat. This private course was designed by Robert Trent Jones and Kyle Phillips in a beautiful natural setting with mature trees. The staff provides first class service in every area.

The Board of Directors of the Eureka Schools Foundation wishes to express their sincere gratitude to Granite Bay Golf Club for generously donating the course for our event.

About ESF...

The Eureka Schools Foundation is a non-profit foundation that supports students in the Eureka Union School District with teachers, computers, library books, science kits, sports equipment, and musical equipment.

We accomplish this through events, donations, direct solicitation and the Endowment fund. Our bylaws provide that the funds are distributed "for the promotion of academic excellence in the Eureka Union School District."
